

CAREER BY DESIGN FILTER™

1. What's your current role and your desired next position

2. VISION: What does career success look like? What is your ideal outcome?

3. What major barriers hinder attaining your target role, and who can offer assistance?

4. What are the top 3 skills you must acquire to qualify for your desired role?

5. What support do you need from the company/manager to develop the skills required for your desired role? Who can mentor you to acquire the skills needed for your desired role?
